

# Health and Safety for Managers

## Introduction

Every year people are killed at work and several hundred thousand more are injured and suffer ill health.

As a manager in your business, ask yourself:

'Do I understand my responsibilities?'

'What important aspects should I concentrate on?'

'How far must I go to be compliant with the law?'

## Course Content

This course gives practical advice on coping with Health and Safety in the reality of business life. It is of value to anyone managing a work unit or department, preparing safety policies/procedures or taking on the responsibility for health and safety for the first time.
